Attached below are two draft responses to congressional letters. The first one is in response to the Vitter/Inhofe letter and the second response is in response to a letter we received from 21 democratic congressmen. I have also included the incoming letters below.

The drafts below represent our first attempt at a rough draft for each and we appreciate receiving your comments by February 20th. There is some urgency in getting these responses finalized and delivered to the Hill.

Thank you,
